

MANAGE SUPPORT, EXPENSES, CUSTODY, & COMMUNICATION

A COMPREHENSIVE COPARENTING SOLUTION

SupportPay eliminates child support conflicts by providing both parents *transparency*. Spend less time managing child support & care, and more time being a great parent — all while saving *time* and *money*!

BENEFITS

Expenses & Payments

-  Promotes support participation from both parents
-  Cuts down management time, giving parents more time with their children
-  Makes it easy to support and avoid court
-  Dramatically reduces child support conflict
-  Saves time, money, and stress

Custody & Communication

-  Shows care responsibilities at a glance, helping parents savor every moment
-  Easily manage custody schedules and events
-  Saves time looking for shared notes, photos, and documents
-  Simplifies coordination through private & secure messaging
-  Dramatically reduces custody conflict

CUSTOMER TESTIMONIALS

“

It's Amazing! I don't have to call, text, email & nag him to pay his share. He finally understands how expensive his kids really are!

-Tracy J, Divorced Mom of 3

“

I now know my money is going to my kids plus I have a record for court & taxes!

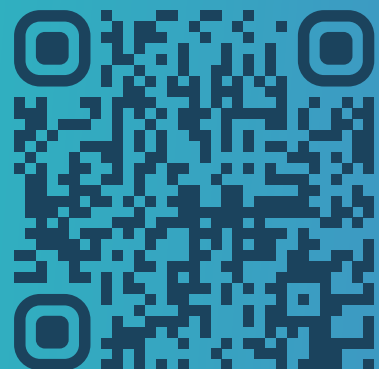

-Larry J, Divorced Dad of 3

“

I include SupportPay in every support order. I get the data I need to serve my clients and look more polished in court.

-Michelle A, Divorce Attorney
